Dear Parents/Care givers/Professionals

Manage Autism Now (MAN) Trust is going to organize a two(02) days long **parent's training workshop** on understanding Sensory Issues & it's effect on the behaviours of children affected by Autism Spectrum Disorder (ASD) on 29<sup>th</sup> & 30<sup>th</sup> July(Saturday & Sunday) at DAV School of Business Management (DSBM) near Unit-8, DAV School .

The resource person is **Dr. G. Loganathan**, a certified S.I.Therapist from Southern California University, also an International Trainer for Professionals dealing with children with special needs.

Training includes areas like

- How to differentiate sensory needs and behavioral issues
- What are the sensory contributions towards the learning difficulties
- School behavior management
- Question –Answer session
